Steve Goldberg, Vice President ohrit hurts the western branch and senior director of the summary of the interview.

◆ Obama 'half (anti) Israel'

Of the Zionist mannamyeonseo candidate they commit Romney, rather than to support the intense feeling defeated President Barack Obama's eagerly hoping that received Goldberg, vice-president of the "Obama for the past four years, KBR half (anti) Israel 'actions can not stand it," he said.

He shortly after Obama was elected president, while the so-called Middle East 'apology tour' in Israel have not heard borders based on the 1967 boundaries of Israel "should" in the Middle East policy speech last year, said Jerusalem, Israel may even require that you do not do the apartment would last month when the United Nations General Assembly held in New York, Benjamin Netanyahu refused and the meeting with the Prime Minister appeared on the ABC morning talk show 'The View' view as cited.

Obama also half the people of Israel turned to Israeli daily newspaper The Jerusalem Post reported last month on the 28th, according the survey results showed that people support Romney as the ratio of the 3-1 and

Goldberg, vice-president, "Romney, if elected, the first trip abroad, singling out Israel as a country have been so pro-Israel figures" he said.

◆ Other ethnic groups is to be afraid of when

ZOA director admitted that the Jews are powerful political and financial media and entertainment industry influence. Yiramyeonseodo "For me proud," he said, "but for many Jews to scare them." "Racial Jews afraid you're gonna hate it true," he said.

◆ Resemblance to the Jewish Korean

Holocaust father suffered a sick director, Jews and Koreans was a lot to like. Is similar in that it emphasizes education, especially, he said. "(Israel) because they do not know when the terrorist fly always a dangerous place," he acknowledged, but he lived in Israel from 1999-2008 ", but rather think that you may die at any time" seems to be causing the act to awaken the potential of our high said. Korea developed rapidly in a short time, not just North Korea that exists because you think that, "he said.

◆ What is the most dangerous enemy

"Perpetrated against the Iranian threat fronts," said Goldberg, vice-president of the irresponsible and belligerent, as well as the threat of nuclear weapons to attack Israel to the previous step, and the production of nuclear weapons. "Iran already had on the planet would get rid of. sanctions must be applied to the minions terrorist organization, Hezbollah, Hamas, al-Qaeda is likely to provide nuclear weapons because Obama stand back ten thousand are getting, "he said.
